**President**

- Meeting with BSPA went well
  - We have to take in exams and in person restrictions into consideration
- Transition into Google Calendar for events organization (esp. For social media posts)

- Potential coffeehouse with BGINS at the end of semester
  - If not, then beginning of next semester
- Received anonymous feedback from website: The acronym 'PAPMSS' is similar to the German SS and we should refrain from using the acronym
  - Suggestions
    - Don't call it PAPM SS but PAPMS
    - Change the logo to PAPM Student Society and use PAPM Student Society going forward instead of the acronym
- End of year survey (with COMS and Equity) for feedback

## **Equity**

-

## **First-year Rep**

- The possibility to course/exam workshops that are more technical (ECON / PSCI 2003) to help first year students

    - Would need to develop a registration form for volunteers to facilitate
- Working with VP Academics to organize these workshops

## **Second-year Rep**

- Games tournament was most popular from 2nd year poll
  - Would need a moderator (PAPM Exec) to keep control of the games and keep score or
  - We could have the games recorded? Or
  - Do we need to supervise the event? Because it would take a lot of time
  - We can add a disclaimer to the registration of the tournament on bullying and behaviour
  - Start registrations Dec 6
    - Will need graphics for promo from COMS
- The possibility of a general study session?
  - Add a music bot to PAPM discord to have a casual study session for students online
